

UNIVERSITY OF UTAH - LGBT RC
EMERGING STUDENT LEADERSHIP PROGRAM
2017-2018

The Emerging Student Leadership Program (ESLP) provides an opportunity for LGBTQIA students to explore and develop their leadership. According to Renn and Bilodeau (2005), the intersection of identity and leadership is missing from the literature as it relates to LGBTQIA college student development. We aim to support students' development, retention and leadership potential, by incorporating Komives, et al.'s Social Change Model (SCM) as starting point.

What to expect from the ESLP

- Advising and mentorship
- Membership in a cohort
- Guidance in identifying student leadership opportunities that are based on individual goals
- Active dialogue throughout

What we hope will occur for ESLP participants

- Exposure to diverse personifications of leadership
- Gain leadership skills
- Networking with other LGBTQIA student leaders locally and nationally
- A stronger sense of self
- Exploration of an understanding of leadership as “to do” rather than “to be”

What we expect from student participants

- Participation in all aspects of the ESLP Fall 2017 through Spring 2018, to include:
 - Attendance at ALL monthly meetings (TBD)
 - Attend the National Gay and Lesbian Task Force Creating Change conference January 23-28, 2018 in Washington, DC (must agree to attend all 5 days of the conference)
 - Plan and organize ACTION Week Events as a cohort (April 2018)
 - Complete and submit a personal reflection of your experience in the ESLP
- Must be enrolled as an undergraduate student at the University for the 2017 (fall) - 2018 (spring) academic year
- All cost associated with participation will be covered by the ESLP
- Complete application (pages 2-4)

APPLICATION FORM MUST BE COMPLETED, SIGNED, AND RETURNED BY:
